Yarding Change 639
-187

comparison date 21/08/2018

Some light falls of rain over the supply area saw numbers reduce for a yarding of 639 head. Most classes of cattle were represented, with the young cattle consisting of a fair supply of weaners and yearlings. Quality was very mixed, with a few pens of well finished yearlings that were mainly supplementary fed. In addition, there was a fair percentage of light plain conditioned weaners and light yearlings, however there were several lines of well bred cattle through the sale.

The market for weaner cattle was firm to slightly dearer, with weaner steers to restockers making a top of 266c and weaner heifers topping at 227c/kg. Feeder steers were firm to slightly dearer, topping at 275c, to average 263c/kg. Feeder heifers saw an increase of 15c, as a result of an extra buyer entering the market this week, selling from 210c to 273c/kg. Trade yearlings met a stronger market, with steers reaching a top of 321c, while heifers sold up to 278c/kg.

The yarding of export cattle consisted mainly of cows, with a small offering of grown steers and heifers. Grown steers were up to 20c dearer, reaching a top of 285c for younger steers, while heifers sold to 259c/kg. Quality was very mixed in the yarding of cows, however the market improved, with heavy cows gaining 5c, while light and medium weights were up by 10c to 15c/kg. Medium weight 2 score cows averaged 182c, while 3 scores averaged 204c and heavy cows sold to a top of 227c/kg.
