Yarding Change 993
354

comparison date 28/08/2018

There was a heavier yarding of 993 head of cattle, which was an increase of 354 head. The yarding consisted of a good supply of young cattle, with grown cattle also in good numbers. The yarding of young cattle consisted of a good supply of weaners and yearlings, with a large percentage of light yearlings, although there were limited numbers of heavy young cattle through the sale. Quality was mixed, with mainly plain conditioned young cattle offered, although there were a few pens of well finished yearlings sold.

The market was stronger for restocker weaner steers, making up to 270c/kg. However, feeder steers were slightly easier, with less buyer competition this week, reaching a top price of 290c and averaging 253c/kg. Yearling heifers were firm to 8c dearer in places, with medium weight feeder heifers averaging 257c/kg. The few trade heifers sold to a top of 281c/kg.

The yarding of export cattle consisted of a fair penning of grown steers and heifers, while there was a good yarding of cows. Prices for grown steers was not as high as last week, mainly due to quality, while heifers met a strong market. Steers topped at 271c and heavy heifers sold up to 279c/kg. The yarding of cows was made up of a fair percentage of plain conditioned lots, however there was a very good run of heavy cows that were supplementary fed. The market varied with light conditioned cows making from 60c to 165c/kg. Medium weight 3 score cows were up by 17c to average 222c/kg. Heavy cows were 23c/kg dearer, with some of the price increase due to improved quality and yield, as cows made from 230c to 251c for an average of 243c/kg.

with some of the price increase due to improved quality and yield, as cows made more milk
