report date 06 Nov 2018

Yarding Change 960
-20

comparison date 30/10/2018

Numbers remained very close to the previous week's level and similar to other markets. Young cattle were in the largest numbers, along with a small selection of heavy grown steers and bullocks and a fair sample of cows. Buyer attendance was generally good, with representatives covering all classes. Light weight yearling steers to restockers experienced only quality related price changes, while medium and heavy weight yearling steers to feed sold to firm demand. Light weight yearling heifers could not maintain the levels of the previous sale. Medium weight yearling heifers to feed experienced very little change in price. Cows sold to a mixed trend with plain condition lines cheaper, while good heavy cows held firm.

A small sample of vealer heifers sold to local butchers at an average of 291c, with sales to 310.2c/kg. Light weight yearling steers returning to the paddock averaged 321c and made to 350.2c/kg. Yearling steers to feed weighing 280-330kg made to 323.2c to average 308c/kg. The largest sample of medium weight yearling steers to feed averaged 316c and made to 321.2c/kg. Heavy weight yearling steers to feed averaged 307c and made to 310.2c, with the occasional B muscle class to the trade making to 329.2c/kg. Light weight yearling heifers to restockers or background made to 271.2c, with most making approximately 260c/kg. The largest sample of medium weight yearling heifers to feed averaged 288c and made to 304.2c/kg.

Heavy grown steers to export processors averaged 306c and made to 317.2c and a couple of bullocks made to 304.2c/kg. A small number of full mouth bullocks made to 298.2c to average 295c/kg. Medium weight 2 score cows average 199c and made to 210c/kg. Most good heavy cows sold for approximately 244c, with sales to 255.2c/kg. Heavy bulls made to 258.2c/kg.
