Agents today had a busy start to the New Year with 2820 head of livestock greeting the buying panel. There were enough of all types of lambs to please the buyers with a few runs of Western store lambs consigned along with the usual trade and export types. Lambs today topped at \$184 to average \$122.39, hoggets topped at \$119 to average \$86.18, ewes topped at \$98 to average \$68.14, wethers topped at \$90 to average \$80.56. Mutton was lacking in numbers with only 417 head yarded. The better type lambs were still keenly sought after although off the pre Xmas price levels. Good fresh store lambs still continue to sought out either as replacement stock or feed on replacements.
