"129YEARS of Continued Service to the District as Stock and Station Agents"

Agents today yarded a total of 2638 head of livestock to a very subdued panel of buyers. The stock was drawn from the usual selling areas as well as a consignment from the Central West. The lambs other than the heavy export types all fell away as the sheer volume of numbers coming onto the various markets has dulled the sale prices. Lambs today topped at \$171 to average \$113.49, hoggets topped at \$144 to average \$68.80. Mutton was a trip back in time to prices that haven't been seen in the yards for 30yrs and unfortunately was all in the buyers favour. Top wethers were \$90 to average \$47.97, ewes topped at \$88 to average \$49.09.
