

What a difference a week makes some good falls of rain , some major falls of rain and that sees the market shortened in numbers with the local agents yarding 1446 head to a market looking to up its intake. The lambs with a yarding of 749 were dearer with top lambs making \$172 to average \$ 117.86, hoggets topped at \$120 to average \$66.36, ewes topped at \$98 to average \$50.27, lamb rams topped at \$140 to average \$92.35. The yarding being down was still drawn from the Maranoa , South West, Inner Downs and local areas with the suggestion the lack of numbers may not just be due to the rainfall totals.
