

# McDougall & Sons Pty Ltd Sheep and Lamb Report

## 18/12/19

Agents today put down the gavel for the last time in 2019, the yarding was on a smaller scale compared to previous weeks with 1065 head meeting the market. The yarding was of two very distinct types there were a limited number of better trade, butcher and export types on hand and there was the stock that growers looked to offload due to feed and water restrictions. This gives a distorted look at average values when discussing the market in general. Lambs topped at \$201 to average \$150.71 ( an increase of \$41 compared to last week), hoggets topped at \$145 to average \$86.79(\$10 drop ), ewes topped at \$105 to average \$66.93 ( \$12 increase), wethers topped at \$105 to average \$57.77( \$8 increase). Agents and their staff wish all their clients and buyers a happy and relaxed if not wet Xmas period.
