

# McDougall & Sons Pty Ltd Sheep and Lamb Report

## 19/2/2020

The sun shone, the numbers lifted and the Agents and vendors presented 1636 head to the weekly sale, slightly up on previous weeks and with the bigger numbers we saw a flattening of the rates as there was more choice for the buyers. Lambs topped at \$236 to average \$154.49(\$30 down), hoggets topped at \$160 to average \$117.02(\$6 down), ewes topped at \$148 to average \$114.50(\$6 down), wethers topped at \$152 to average \$82.19(\$19 down), ram lambs topped at \$182 to average \$93.27(\$41 down).

The market numbers were larger in the mutton and the light trade areas this gives a distorted picture of how the market was, good trade and butcher and export lambs were in keen competition with all sections of the buyers. The lighter feed on and light weight mutton also attracted the buyers.
