

McDougall & Sons Pty Ltd Sheep and Lamb Report

15/4/2020

Time flies when you are having fun the weekly sheep sale was as fast as an F1 event with Agents only being able to yard 534 head to the buying panel. The lambs topped at \$252 to average \$197.47, hoggets topped at \$190 to average \$124.82, ewes topped at \$177, wethers topped at \$178, lamb rams topped at \$230 to average \$182.17. This was probably the fastest sale held in the last 15 years with the flags pulled down after a 40 minute frenzy. The local buyers were keenly seeking stock for both the processing and feed on regimes. Local processors as well as the exporters know the value of a fresh product to keep the orders flowing through the uncertain times we face. The market was \$10 to \$15 up across all categories for the sale.
