

# McDougall and Sons Pty Ltd Sheep and Lamb Report

## 13/05/2020

Agents today yarded 1202 head to the local market with the majority of the yarding being lambs , hoggets or ram lambs , a big change from the domination of Merino sheep in the Southern Downs . The lambs today topped at \$240 to average \$171.97(Par with last week), hoggets topped at \$210 to average \$168.66(\$6 up on last week), ewes topped at \$183 to average \$158.14(\$49 up on last week), wethers topped at \$170 to average \$144.09(Par with last week), lamb rams topped at \$184 to average \$158.44(\$31 up on last week). The yarding followed what has been the norm for the past month with most of the lambs falling into the feed on or trade and light trade types with a few of the export and better butchers types. A sure sign from our producers that we are still in the ravages of the dry spell.
