

## McDougall & Sons Pty Ltd Sheep and Lamb Report 24/6/2020

A similar yarding of sheep and lambs met the buying panel today as Agents put together 1165 head for the last sale of this financial year. Lambs topped at \$241 to average \$179.52(\$4down), hoggets topped at \$200 to average \$158.59(\$22 down), ewes topped at \$200 to average \$158.59(\$13 up), wethers topped at \$169 to average \$142.40(\$7 down). The yarding was dominated with feed on and light weight butchers lambs with few export weight lambs available. Mutton was in short supply but the available numbers met some strong competition. The butchers were kept on their toes with the restockers forcing light weight lambs and breeding lambs or ewes to better rates.
