### **Sheep and Lamb Report 2/9/2020**

Agents today yarded 1044 head of livestock to meet the market with a full panel operating for the good run of lambs available. Mutton was not so lucky with limited numbers available , with the upside being there was some spirited bidding on the few available lots. Lambs topped at \$195 to average [\\$161.37](#)(\$6up), hoggets topped at \$174 to average [\\$144.88](#)(\$2up), ewes topped at \$187 to average [\\$154.36](#)(\$64up), wethers topped at \$160 to average [\\$142.89](#)(\$24down). The majority of the yarding was of a better type of lamb for the processors with a few runs of well finished lambs being presented for sale. There were still opportunities for the restockers although in smaller numbers. The few lines of mutton were keenly sought after with processors onto the wether portions and the back to the paddock or restockers chasing the female portions.
