

Mcdougall & Sons Pty Ltd Sheep and Lamb Report 21/10/2020

A few welcome showers greeted the Agents and buyers at the weekly sale not too much damage was done and it probably worked in the vendors favour as everyone was looking for cover. The yarding of 972 head saw a few good lines of mainly lighter feed on lambs as well as a good consignment of western ewe lambs to meet a market short in one major buyer which probably lead to the market being fully firm to a touch dearer overall, driven by the restockers confident the showers were going to increase in volume. Lambs topped at \$250 for ewe lambs back to the paddock to average [\\$173.21](#)(\$8up), hoggets topped at \$190 for ewes back to the paddock to average [\\$153.77](#)(\$7down), ewes topped at \$168 to processors to average [\\$127.41](#)(\$10down), wethers topped at \$160 to average [\\$145.69](#)(\$10up), lamb rams topped at \$166 to average [\\$146.89](#)(\$8down). The market was dominated in numbers by the lamb component with 90% of the market falling into lamb or hogget types.
