Sheep and Lamb Report 27/1/2021

Australia Day has come and gone with some very good advertising supporting the lamb consumption in this country. The ads have worked with Agents yarding a total of 1147 lambs and mutton meeting the buyers. The sales were fully firm for most types and with the restockers looking to put stock back to the paddocks as well as the processors looking to gather stock the vendors held the upper hand. Lambs topped at \$240 to average [\\$181.83](#)(\$10up), hoggets topped at \$185 to average [\\$165.94](#)(\$12up), ewes topped at \$180 to average \$143.6(\$14down), wethers topped at \$170 to average [\\$162.89](#)(\$5up), lamb rams topped at \$200 to average \$181(\$1up). Strong support from both sides of consumption has seen the yarding average \$10 up on last week's rates.
