Sheep and Lamb Report 14/4/2021

The sun shone ;the numbers bloomed at the weekly sale. Agents yarded a healthy 2779 head to the local and export buyers, with Lambs topping at \$230 to average \$176.03(\$11down), hoggets topped at \$205 to average \$173.22(\$13down), ewes topped at \$188 to average \$154.02(\$21down), wethers topped at \$220 to average \$159.87(\$9down), lamb rams topped at \$350 to average \$184.43(\$17up). The market had some good runs of trade and export lambs as well as some good lines of mutton. As per previous sales the light female end is still drawing all the attention with Dorper ewes still commanding all the buyer attention. Some very good lines of 1st x ewe and wether lambs from the Maranoa were good attention getters. The market was mixed in quality with the main lines for trade and export types easing , with the light and female types attracting the local and dealer operators. Mutton was up in numbers but mixed in quality.
