### SHEEP AND LAMB REPORT 14/7/2021

Short ,sharp and to the point was the order of play at the weekly sale. The wet weather and the change of seasons leading to only 783 head up for sale. The pace was frenetic from start to finish as the panel of restockers competed with the processors. Good lambs were slightly dearer with the overall yarding averaging a whopping \$24 up on last week. Good processing lambs were in short supply as well as good runs of mutton. The light end was still strong thanks to the break in the season with many looking to fill paddocks. Lambs topped at \$229 to average \$192.13(\$7up), hoggets topped at \$195 to average \$144.84(\$10down), ewes topped at \$228 to average \$170.24(\$32up), wethers topped at \$235 to average \$226.89(\$61up), lamb rams topped at \$195 to average \$178(\$8down).
