### Sheep and Lamb Report 22/9/2021

Agents today yarded a slightly larger yarding of 1158 head to the weekly sheep and lamb sale. The market bounced slightly in favour of the buyers this week as the sale average was cheaper than last week's high. The good trade and export lambs and mutton were still making the rate for the vendors. The lighter stock was mainly in the cheaper end.

Lambs topped at \$238 to average \$192.43(\$13down), hoggets topped at \$200 to average \$172.48(\$15down), ewes topped at \$203 to average \$133.93(\$39down), wethers topped at \$202 to average \$182.59(par), lamb rams topped at \$200 to average \$182.07(\$18down), the total yarding averaged \$186.26 a drop of \$15/head on last week's rate.
