### **Sheep and Lamb Report 10/11/2021**

Agents today yarded 1704 head for the sheep and lamb sale with some good local and western lines available. The buying panel was short one of the exporters, but this had little effect on the prices achieved as local and coastal butchers looked to fill orders. The restockers not to be out done made sure all the back to the paddock and breeder stock were up to the money. Lambs today topped at \$230 to average \$190.53(\$5up), hoggets topped at \$220 to average \$154.38(\$3down), ewes topped at \$220 to average \$151.89(\$21up), wethers topped at \$179 to average \$154.19(\$7up), lamb rams topped at \$180 to average \$143.05(\$29down). The total yarding averaged \$179.99 an increase of \$8/ head over the last week's sale.
