Sheep and Lamb Report 19/1/2022

A smaller yarding of 1414 head was presented for the weekly sheep & lamb sale. The yarding was varied today with a bigger percentage of the yarding in the lighter butcher and feed on weight ranges. The usual buyers were in operation with a predominance to lambs over mutton types. Good trade and heavier lambs were in good demand from the local processors, this may be attributed to the lack of a sale next week with Australia day falling on Wednesday, hence no sale on the 26th.

Lambs today topped at \$234 to average \$180.25(\$6up), hoggets topped at \$230 to average \$159.04(\$8up), ewes topped at \$146 to average \$91.13 (\$37down), wethers topped at \$190 to average \$135(\$8down), rams topped at \$180 to average \$155(\$33down), lamb rams topped at \$228 to average \$185.79(par),.
